# THE

**The Yorkshire & Humber Care Record uses information in smart ways to help individuals and local communities.**

By joining up the dots between different data we can see the bigger picture. That helps us to improve local health, prevent illnesses and ensure public money is better spent.

# DOTS

**Data is not collected automatically, is securely held when it is, and can only be used by authorised analysis teams. Before use, names and any other identifying information is removed. For example, it will show just the year and not the full date of birth.**

You do have the choice of opting out of the Yorkshire & Humber Care Record. To do this or to please Email: [hnf-tr.yhcr@nhs.net](mailto:hnf-tr.yhcr@nhs.net).
